(804) 527-1905

Do you have the drive?

Certification showcases your exemplary knowledge and distinguishes you from the rest. Demand is rising for those who achieve specialty education.

*Prove it to yourself,
your colleagues and
your patients that you
are qualified in
managed care nursing.*

American Board of
Managed Care Nursing

Who is eligible to test?

Those with a current, active and unrestricted licensure or certification in healthcare - RNs, LPN/LVNs, LCSWs, LMSWs, LPCs and others may pursue eligibility.

To gain eligibility, candidates must pursue **one** of the following processes:

1. Submit a signed job description, resume and educational background that attests to their knowledge of managed care overview, healthcare economics, healthcare management, & patient issues. Approval reviews are performed on a quarterly basis by the ABMCN Board of Directors.
2. Candidates can complete the Home Study course provided by the American Association of Managed Care Nurses (AAMCN).

The EXAM

The exam consists of 200 multiple choice questions that test your knowledge in the areas of:

- Case Management
- Utilization Management
- Quality Improvement & Management
- Disease Management
- Managed Care Models, Contracting, Products, & Reimbursement
- Government Programs
- Patient Issues

The exam is administered by an eligible proctor within a 4-hour testing window. The exam fee is \$250.

Certification Renewal

To keep your certification current, you must submit 25 contact hours of approved continuing education and \$55 every 3 years. Nursing CEs, academic courses, self study courses, conference attendance, and workshops may be considered for certification renewal.
